The information Su-hyun gave was completely wrong.
He managed to balance his Ki core with just Sagi...
He's too stable for a Majin.

How about you give up and join the Branch?
I think the Branch will win, after all.
Wouldn't you agree?
Don't make me laugh! I'd rather die than become a dog of the Branch!
Kill me!

Now, really... Are all Main Family members thick-headed like you?
If you just join the Branch, lots of pretty ladies will come and care for you.

Sfx: Kwak

Excuse me, Ajusshi...
You can't speak that way about the people who embraced and saved me.
Don't talk about them like they're disgusting or evil.

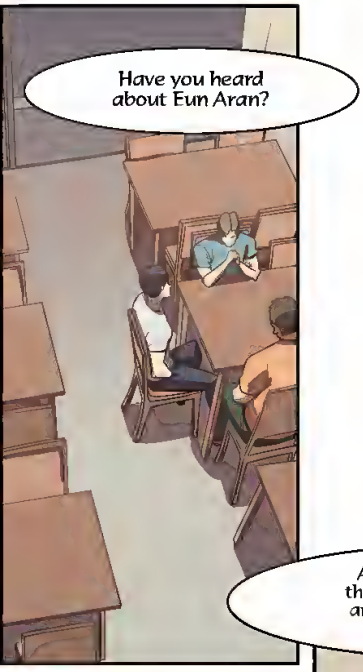
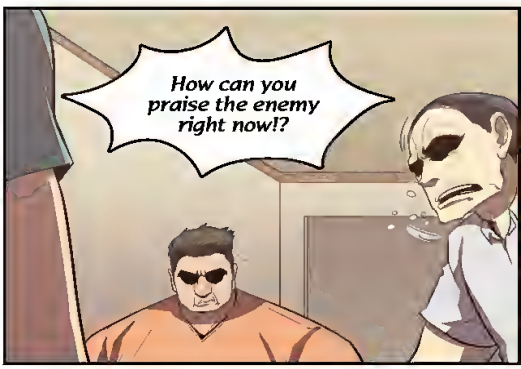
LONE MANGA!



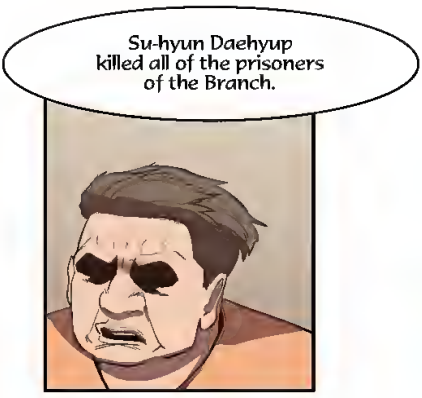
Have you heard about Eun Aran?

Apparently, he's acting as the hero of the Branch, going around destroying all of the Main Family's dojos...
He's literally a one-man army.



How can you praise the enemy right now!?

But, in terms of who's doing the right thing, Eun Aran should be praised.



Su-hyun Daehyup killed all of the prisoners of the Branch.

But look at Eun Aran.
He's keeping every one of our Masters alive.

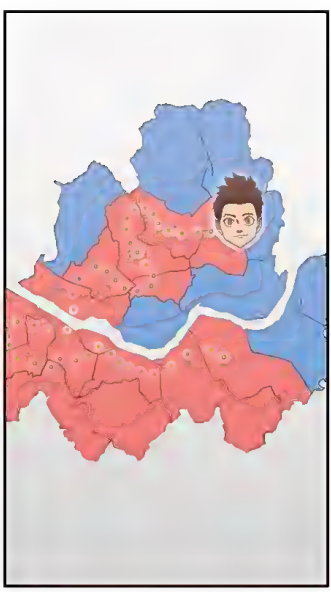
Ha! This is unbelievable...
The attacking leader of the Branch is the one who's doing the right thing in this war.

Not only that, I heard the Branch is trying to win over many members of the Main Family.
They're saying what they want isn't the annihilation of the Main Family, but to draw them to their own side.

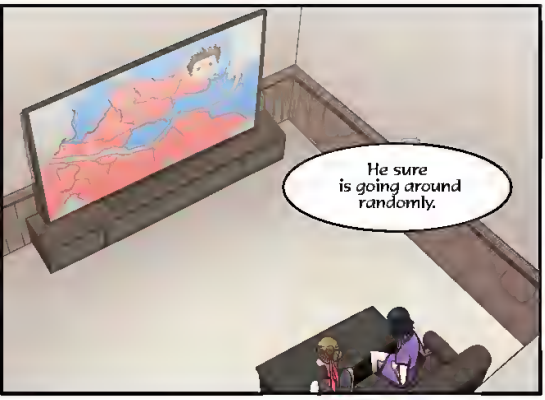
They've even sent a messenger to our sect.
What, are you guys going to betray the Main Family?
What do you mean, betray? We shouldn't say that!
ANGRY
But...
Murim has a greater chance of being exposed if this war goes on...

What I'm saying is, for the future of Murim, we should just think about it...

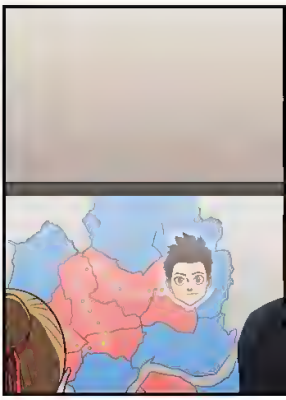
Jungdo Resto



LONE MANGA

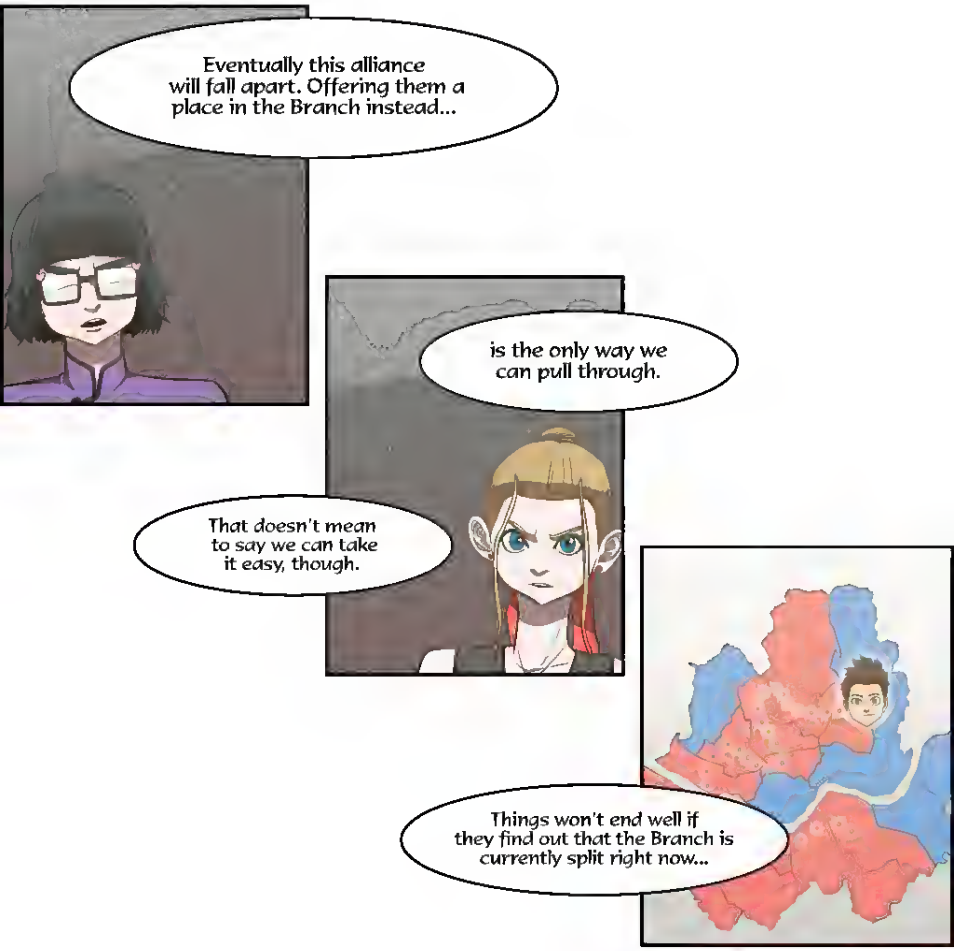


He sure is going around randomly.



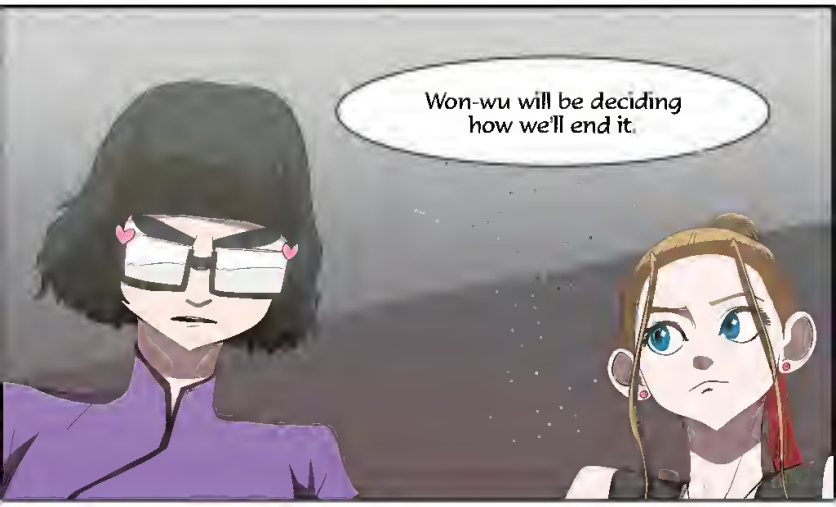
What he's doing is actually helping us a lot right now.
They're shaken from this attack far more than we thought they'd be.

If Aran is acting as the bad cop, we should act as the good cop.
The fact that Aran is taking prisoners is actually turning out to be advantageous...

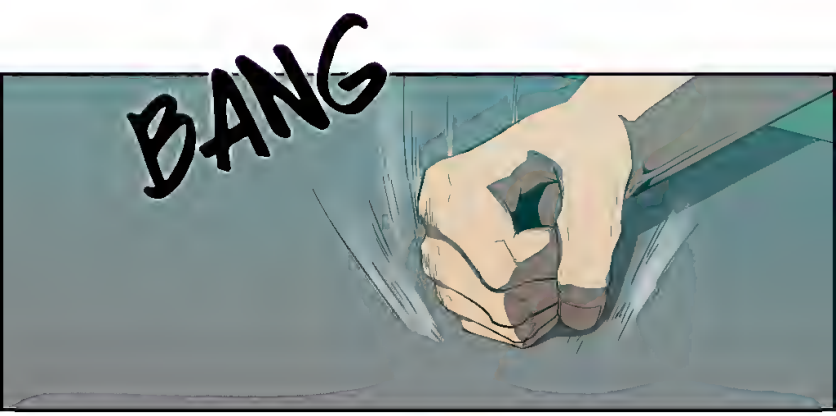


Eventually this alliance will fall apart. Offering them a place in the Branch instead...
is the only way we can pull through.
That doesn't mean to say we can take it easy, though.
Things won't end well if they find out that the Branch is currently split right now...

We must end Su-hyun's life before that happens.
LONE MANGA!



Won-wu will be deciding how we'll end it.



BANG

How many dojos have been wiped out?

Around ten have fallen to the attacking leader of the Branch Eun Aran....

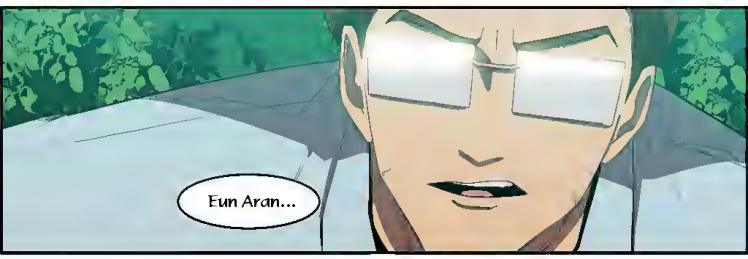
They're saying his strength rivals that of a hundred Masters.

Eun Aran...

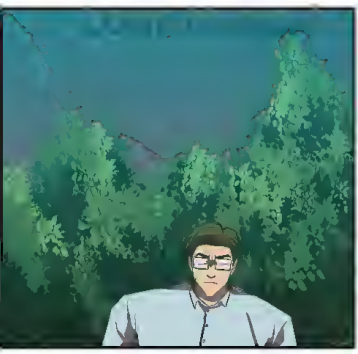
How could we be struggling against a plain, rubbish boy...
who'll eventually die from being in the state of Majin after being consumed by Sagi...?

Why can't you subdue him?
Well... He's holding lot of our Masters hostage...

Out of the eight Great Masters, two of them are already captives...
Tell us our next move, Daehyup.
The disciples are losing their morale.
...



Eun Aran...

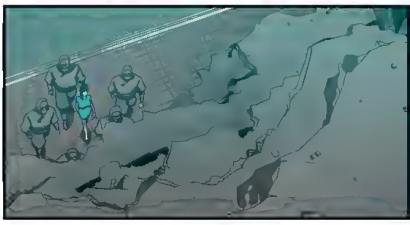


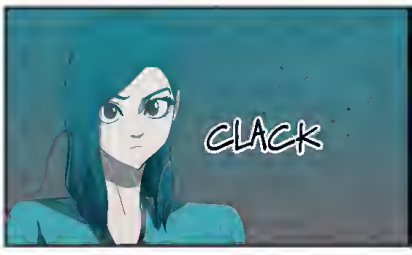
I have to see the Elders
벌떡

Sfx: Gets up

In order to fend against this situation we'll need greater strength.
We'll need to force the Masters of the Main to start moving. I'll even obtain their strength, if need be...

Su-hyun Daehyup!
Big trouble!!
DASH
They sent this message to us
??





CLACK

Aran did all this...
따르릉!

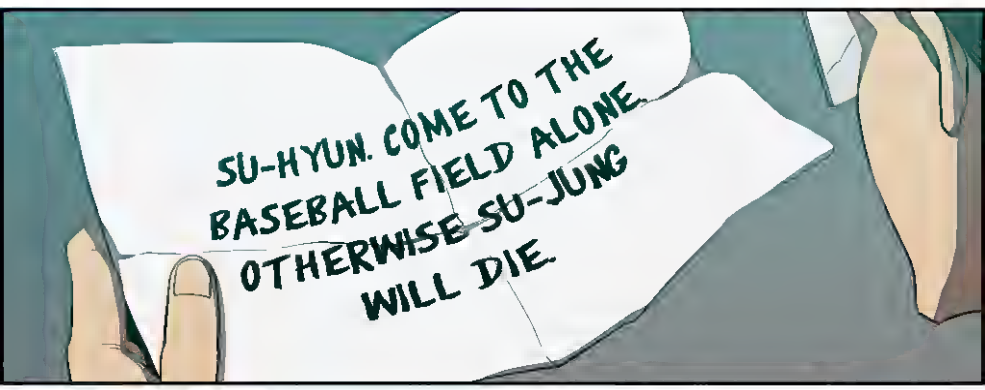
SU-JUNG!! SU-JUNG!!



SU-HYUN. COME TO THE BASEBALL FIELD ALONE. OTHERWISE SU-JUNG WILL DIE.
